

COVID-19 Worship Guidelines

Updated 12/31/21

Given the rising cases of COVID-19, the diocese has asked for each parish to use individual discretion regarding worship services based on local [data](#). We trust that you and your family will make the best decision given the current information, your individual risk factors and comfort levels based on our procedures below:

- Everyone over the age of two must wear a mask, regardless of vaccination status. Our clergy team is fully vaccinated and boosted.
- Please ensure your mask remains securely over your nose and mouth at all times, and consider wearing an N95 mask, medical mask or double-mask.
- Pews will be marked for social distancing (every other pew).
- We will only have instrumentalists and soloists this Sunday. There is no congregational singing at this time.
- We will continue to offer communion in one kind (bread only).
- Additional masks and hand sanitizer will be available at each entrance.

We look forward to worshipping with you!
