

## **COVID-19 Worship Guidelines**

*Updated 7/6/22*

We are grateful and excited to begin to bring back many of our beloved programs and worship elements at Christ Church. Please see below for our worship guidelines:

- At this time, masks are optional in the church building.
- Starting Sunday, July 10, both at the communion rail and at the floor station, we welcome you to receive - drink or dip - from the chalice. If you prefer not receive from the cup, simply cross your hands across your chest to let the chalice bearer know. Please be assured it is full communion with bread alone.
- The south transept will be reserved as a mask-required area throughout the service.
- Nursery care is available on Sunday mornings. All of our nursery staff members are fully vaccinated.

We look forward to worshipping with you!
